

Letter of Recommendation

To Whom it May Concern:

I am writing this letter of recommendation for Turf Assist Pro. For the past nine years I have utilized the services of this company on our four synthetic turf fields at Kennett High School. They have done annual deep cleaning, inspections and G-Max testing. Their reports are thorough and professional. I have also had them perform synthetic turf repairs and the addition of crumb rubber infill when needed with great success.

Their Service Manager, Jim Cornelius, is extremely knowledgeable on the subject of synthetic turf maintenance and repair and also general knowledge of synthetic turf fields. His service and quality of work are excellent.

I highly recommend Turf Assist Pro to any synthetic turf field owner for maintenance, inspection, G-Max Testing and repairs to your fields.

Sincerely,

Robert J. Perzel  
Director of Facilities & Construction  
Kennett Consolidated School District
